

Hi everyone,

Our Outcomes First Group Summer Challenge 2020 has now launched and is live across our social media pages and website!

What is the summer challenge?

The #summerchallenge is packed with lots of indoor and outdoor activities designed to promote a healthy mind and body. Each challenge is worth a set amount of points, with the objective being to get to 1000 points and be in with a chance of winning a mystery prize. The harder the challenge the more points to be earned!

Who can take part in the summer challenge?

Anyone!

How can you help?

Attached is your PDF document of the summer challenge booklet and you can find out 'how to take part' [here!](#)

We'd really like as many people as possible to get involved, including you and your families!

Why not give it a go with your children and send us your pictures along with the consent page at the back of the booklet to marketing@ofgl.co.uk, so that we can celebrate your family's success in our marketing communications.

Thank you

Special thanks to everyone who contributed to this year's challenge we received lots of fantastic entries from across the group this year and have included an acknowledgement to you all where possible at the front of this year's summer challenge booklet (for security the names of the homes have been excluded from this acknowledgement).

As a result of all of your efforts we have an incredible selection of activities for everyone to enjoy over the summer, so thank you.

We hope you enjoy completing the challenges and we look forward to receiving your entries.

Many thanks

Outcomes First Group Marketing Team!
